REVOCATION AND NEW POWER OF ATTORNEY

I, Dosuk D. Lee, hereby certify that I am authorized to act on behalf of Etex Corporation in matters before the United States Patent and Trademark Office. I further certify that Etex Corporation is the Assignee of the entire right, title, and interest in the above-identified United States patent application by virtue of the assignment recorded at Reel 012761, Frame 0159.

In the above-identified United States patent application, I hereby revoke all powers of attorney previously granted in the application and appoint the attorneys and/or agents associated with customer number **21559** with full power of substitution and revocation, to

prosecute the application and to transact all business in the United States Patent and Trademark Office connected herewith.

All correspondence regarding the application should be sent to the address associated with customer number **21559**, which is Clark & Elbing LLP, 101 Federal Street, Boston, MA 02110.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patents issued thereon.

Date: 4-15-04

Respectfully submitted,

Dosuk-D. Lee
Chief Technical Officer
Etex Corporation
